2009 Governor's Education Summit™ Registration Form Michigan College Access Network (MCAN) Community Cohort

A special registration package is available to local community networks. The goal is to encourage a broad representation within communities interested in promoting college access and success. The MCAN Community Cohort price is \$500 for five qualifying representatives – a savings of \$250! Attendees must register together by completing this form, and sending or faxing it in. The community cohort needs to consist of one each of five of the following categories:

K-12 Administrator
K-12 Counselor
K-12 Teacher
Student Representative

Labor Representative
Media Representative
Parent Representative
Community Foundation

Local Business Representative
Local Government Official
Local Higher Education Institution
